

'ROCKY GULLY' CABERNETS

TASTING NOTES

Vibrant purple in color with red highlights. A fresh nose with lifted red currant and plums followed by a hint of oak. The soft berry-driven palate is complemented with elegant yet ripe tannins and juicy length. There are underlying hints of tobacco leaf and spices with a nice complexity and structure.

PAIRING

Best enjoyed with a rack of young lamb or roast lamb with garlic and herbs.

TECHNICAL SHEET

Appellation	Frankland River GI
Color	Red
Grape Varieties	Cabernet Franc, Cabernet Sauvignon, and Merlot
ABV (Alcohol By Volume)	14.5%
Bottle Size	75 cl
Type of Soil	Mix of ironstone and limonite cemented sand, colloquially called coffee rock
Vinification	Grapes are harvested from diverse areas within the Frankland River GI. The fermentation is made 100% in stainless steel tanks and the wine is aged for a short time in large barrels of French oak.
