Maturation	Stainless Steel
Bottling	January
Alcohol	12,5 % by Vol

**DOMAENE GOBELSBURG Zweigelt** - The Domaene Gobelsburg Zweigelt is distinguished by the Danube region, which is – in relation to red wine – among the “cool climate” regions. Over the last several decades, the Zweigelt grape developed a strong identity in Austria as well as in the Danube region specifically, because Langenlois is the hometown of Dr. Zweigelt, who created this variety. It exudes a shiny ruby red colour with a light violet tone. The nose gives off fruitiness with hints of cherries along with spicy nuances. Its full body with delicate notes make this wine a popular food companion.

**Description:** Mature, plummy bouquet with a hint of cinnamon, rich and engaging, really nestles on the palate; thoroughly dark tones, fat but always fresh and lively, edgy, plum holds through the finish, interesting structure.

**SCHLOSS GOBELSBURG**, a Cistercian monastic estate, is one of the oldest wineries in the Austrian Danube area with a documented history that dates back to 1171. All the vineyards are located on slopes and terraces around the valley of the river Kamp near the town of Langenlois and the village of Gobelsburg. Schloss Gobelsburg specialises in Grüner Veltliner and Riesling and produces authentic and noble wines from different single vineyard, village and regional appellations. The winery is member of the association 'Österreichische Traditionsweingüter', which is working on a vineyard classification project for the Danube area.
